

Docol Tube R8 Prize 2019 Rules.

In this photo contest, we hope to see different users and projects around the world where you have used Docol Tube R8.

Rules are simple. Submit your images (pictures) to mail@meracing.com. These images must be yours and you own or have the rights of the images. Otherwise you may be guilty of theft or plagiarism. The images must contain Docol Tube R8, specifics on your application, and who you purchased the tube from and why you use Docol Tube R8. Don't forget your name/company, town/country and Facebook page.

By submitting a contribution to this contest, you also give ME Racing Service AB the right to use these images with no further compensation in this competition and to be marketing through their websites, social media, fairs or other marketing channels, etc.

You can submit additional contributions of different projects or applications. Which can increase the chances of winning. The contributions will be visible on this link both during and after the competition. http://www.meracing.com/docol-tube-r8-prize/2019_1893

ME Racing Service AB will award 1st - 15th prize in areas such as Europe and Eastern Europe, etc., among their customers.

ME Racing Service AB (MERS) will also award 1st - 15th prize World Wide. In those cases, the prizes will also be awarded from MERS. You don't need to be MERS customer at this time to participate.

The prizes are in the form of Docol Tube R8 for the values that the winnings cover. And paid out by buying Docol Tube R8 from ME Racing Service AB. Any tax and freight charges are paid by the winners. Prices are excl. VAT.

1st prize, US \$ 400 (about 3,960 Sek), 2nd prize, US \$ 200 (about 1,980 Sek), 3rd prize, US \$ 100 (about 990 Sek), 4th - 15th Prize, US \$ 50 (about 495 Sek).

Total prize pool is US \$ 2100 (about 25740 Sek).

The winners have until December 20, 2020 to get their prizes. After that and in case of few participants, the remaining prizes will return to the prize givers.

The competition will last until December 20, 2019.

The winners will be notified first by e-mail. The winners will also be shown on the 2019 Docol Tube R8 Prize page. http://www.meracing.com/docol-tube-r8-prize/2019_1893

The competition jury consists of,

Mats Eriksson and Lars-Göran Eriksson, ME Racing Service AB.

The winners are made impartial by the jury gathering the winners together. The images will be judged on quality of image, the project application, technical use of Docol tube R8 and fabrication techniques. The jury's decision cannot be appealed.

If you have any questions, please contact Lars-Göran "LG" Eriksson. mail@meracing.com
